This is a “learn to play” instructional, volleyball league. For the first 25 minutes both scheduled teams will partake in an instructional scrimmage assisted by members of the Bloomfield High School Volleyball team who are volunteering their time and talents as part of their yearly community service project. The volunteers will help the players develop their skills & fundamentals during the 25 minute period. After the 25 minute instructional period, the scheduled teams will play 2 matches consisting of 20 minute running time games (with a 5 minutes break in between matches). Rally scoring will be used and standings will be recorded. While the matches can become competitive, a win at all cost mentality will not be allowed. We expect all players and spectators to display good sportsmanship throughout the season.

**The goal of this league is for the girls to improve their fundamentals, exercise and have FUN!**
