### EXECUTIVE DIRECTOR

**Randall Solomon**  
Sustainability Institute  
The College of New Jersey

Bloomfield Township  
Attn: Jean-guy R. Lauture, Assistant Township Administrator  
1 Municipal Plaza  
Room 200A  
Bloomfield, NJ 07003

Dear Mr. Lauture;

Congratulations to **Bloomfield Township** on receiving a \$2,500 Sustainable Jersey-PSE&G Energy Efficiency Partnership Program Start-up Grant funded by PSE&G.

Enclosed please find a check for \$2,500 representing the total grant award. By accepting Program funding, a municipality agrees to use the funds to support their efforts related to implementing the SJ-PSE&G Partnership Program:

- For the Technical Assistance for Energy Efficiency in Municipal Facilities, it is expected that the municipality will begin its TA efforts within three months of receiving Program funding.
- For the Residential and Commercial Energy Efficiency Outreach Campaign tracks, it is expected that the municipality will make a good faith effort to initiate an outreach campaign within six months of receiving Program funding.

Upon completion of either facilities or outreach TA, a brief final report form should be submitted via the online grants portal: <https://webportalapp.com/sp/sjpsegeppapp>

Please submit this report no later than **December 31, 2024**, using the Sustainable Jersey grants portal account that was created to submit the original Partnership Program application. Reporting requirements include a short statement on how the funds were utilized, including a summary of accomplishments.

We wish you great success with your participation in the Sustainable Jersey-PSE&G Energy Efficiency Partnership Program. If you have any questions, please contact the Program Manager for the Partnership Program, Leanne McGowan, at [mcgowale@tcnj.edu](mailto:mcgowale@tcnj.edu).

Sincerely

Randall Solomon  
Executive Director, Sustainable Jersey
