## Anthony Marucci

---

**From:** Raywood, Bernard <Bernard.Raywood@dca.nj.gov>  
**Sent:** Thursday, April 25, 2019 12:33 PM  
**To:** Anthony Marucci  
**Cc:** Ertingu, Tom; Brandecker, Stefan  
**Subject:** 103 Hazelwood Ave, Bloomfield, NJ Control No: 0702-0016

Officer Marucci,

The Department of Community Affairs, proposed an amendment to the Regulations Governing Rooming and Boarding Houses (N.J.A.C. 5:27-1 et seq) and the Uniform Construction Code (N.J.A.C. 5:23-1 et seq) to create a "Class F" rooming house license expressly for a Cooperative Sober Living Residence (CSLR). This proposed amendment was adopted on 12/20/17 and became effective on 1/16/18 with an expiration date of 3/25/2022. From this point forward the Department of Community Affairs, Bureau of Rooming and Boarding House Standards (DCA) began accepting applications from individuals and entities seeking to obtain License to Own/Operate a CSLR.

The Rooming and Boarding House Act of 1979 (N.J.S.A. 55:13b-1et seq) statutorily requires that ANY person or entity shall apply for and obtain a License to Own/Operate a rooming/boarding house issued by the Department of Community Affairs, Bureau of Rooming and Boarding House Standards (DCA), before owning/operating a rooming/boarding house in the State. DCA is the regulatory agency appointed to enforce the Act and the corresponding Regulations regarding the licensure and inspection requirements for rooming/boarding houses.

Because a CSLR is a change in the character of use of a single family home, there is no requirement to obtain a new Certificate of Occupancy. The amendment to the Uniform Construction Code (UCC) designate a CSLR as a R-5 Use, group occupancy, and may only be located in one or two family dwellings, and are to be constructed under the International Residential Code.

The intent of a CSLR is to provide a home where up to ten (10) individuals, exclusive of the owner, licensed operator and bona fide employees, recovering from drug or alcohol addiction can live together and support each other during their recovery.

Pursuant to NJAC 5:23.11(k) of the Uniform Construction Code, as amended, the Department is the sole enforcing agency for a CSLR with respect to the State Construction Codes and Regulations Governing Rooming and Boarding Houses. From this point on, the Owner in Fee will submit an application for work requiring a UCC permit to the designated

Office of Local Code Enforcement. **Zoning and land use requirements remain under the jurisdiction of the municipality. DCA does not require proof of prior zoning or land use approval to allow a CSLR.**

Upon receipt of an application for a License to Own/Operate a CSLR, DCA will refer the property to the Office of Regulatory Affairs (ORA). Since DCA is now the sole enforcing agency for a CSLR as stated previously, the ORA will retrieve the municipal property file from the Construction Office. In addition, the Bureau will provide the Owner in Fee with a Building Technical Section which will be submitted by the Owner in Fee to either the Northern or Southern Office of Local Code Enforcement (OLCE). The OLCE will schedule an inspection of the premises with the Owner in Fee to confirm compliance with the Uniform Construction Code (N.J.A.C. 5:23-6.31(q)) which states;

**Subchapter 6. Rehabilitation Subcode (as amended)**

*5:23-6.31 Change in Use*

*(a) – (p) (No change)*

*(q) A change in the character of use of a single-family home to a cooperative sober living residence shall comply with this subchapter except as modified below,*

*1. Single-family dwelling of Group R-3 or R-5 that are being converted to a cooperative sober living residence shall meet the requirements of this section,*

*i. There shall not be more than 10 occupants, excluding staff; each occupant, including staff, shall be capable of prompt self-evacuation;*

*ii. Each home shall have smoke alarms that comply with the Uniform Fire Code (NJAC 5:70-4.19). Fire alarm systems installed in accordance with the One-and Two-Family Dwelling Sub-Code shall also be deemed to comply. Smoke alarms shall be located in each sleeping room, in the area outside separate sleeping rooms, and on each additional story of the dwelling, including basements and habitable attics;*

*iii. In the vicinity of each sleeping area, each home with a fuel burning appliance or with an attached garage shall have carbon-monoxide alarms that comply with the Uniform Fire Code (NJAC 5:70-4.19) or with NJAC 5:27-14.1; and*

*iv. Each bedroom shall have an operable egress window that complies with the Uniform Construction Code (NJAC 5:23)*

Upon verification the building complies with the amended UCC, the OLCE will issue a Certificate of Approval (CA) to the Owner in Fee. After the Bureau receives a copy of the CA from the Owner in Fee, or OLCE, DCA will issue a License to Own/Operate to the parties.

DCA will conduct evaluations at a CSLR to confirm compliance with the habitability and occupancy code standards in the Regulations Governing Rooming and Boarding Houses at least annually, as well as unannounced spot checks. The License to Own/Operate must be renewed annually.

I trust we have been of service to you. Feel free to contact the Bureau if you have further questions or concerns.

**Attachments:** 103 hazelwood documents.pdf

Attached are the documents related to 103 Hazelwood Road.

The property is zoned R-1A, Single Family Residence.

The home was purchased by William and Geraldine Meade and they received a C of O, on June 21, 2018 as a single family dwelling.

The township received a letter from the NJ Department of Community Affairs dated January 14, 2019 stating that the property owners applied for a license to own/operate a Class F Rooming House at this location, expressly for Cooperative Sober Living Residences.

Around the same time, we received an OPRA request from the owner of 72 Hazelwood Road (David Petillo) about #103 and my response was that it is a single family dwelling by zone.

We also received concerns from another resident of Hazelwood Road, Mr. Ralph Salerno, at #83, regarding the use of the property at 103 Hazelwood Road.

Mr. Parlavecchio wrote the attached letter, dated January 24, 2019, to the property owners of #103.

The letter requested that the owners submit a Zoning Permit Application prior to occupancy of the building.

The township did not receive a response to Mr. Parlavecchio's letter of January 24, 2019, nor did my office receive a zoning permit request.

On Wednesday April 17, 2019 I received information that construction work was being performed on the top floor at 103 Hazelwood Road.

I asked Ray Ramos, Building Inspector, to check it out, and, indeed, they were performing work without permits.

Mr. Ramos issued a stop work order.

Approximately 20 minutes later, Ms. Geraldine Meade and her daughter, came to the Construction Office, Room 105.

Mr. Ramos and I, both, spoke to Ms. Meade and her daughter. At times, the conversation became quite heated.

Ms. Meade claimed that she never received Mr. Parlavecchio's letter of January 24, 2019.

I gave her a copy of the letter, and she then filled out a zoning permit which is also attached.

This is all of the information to date.

Everyone knows that there are two (2) residences, similar to this one, on Hazelwood Road presently, and it is a very sensitive matter of concern to the neighborhood.

I apologize for the lengthy email, but everyone needs to be on the same page.

I await direction, and I am available for any discussions.

(ZONING LETTER OF DENIAL)

Dear Mr. and Mrs. Meade,

My office is in receipt of your zoning application to use the above referenced property and dwelling as a Class F Rooming House for Cooperative Sober Living Residence, (CSLR), in accordance with regulations promulgated by the New Jersey Department of Community Affairs.

I have reviewed your application, and I have also conferred with Mr. Bernard A. Raywood, Chief, Bureau of Rooming and Boarding House Standards, NJ Department of Community Affairs.

According to Mr. Raywood, NJDCA is the sole enforcing agency of the subject premises regarding the Uniform Construction Code and regulations governing rooming and boarding houses.

However, also according to Mr. Raywood, the local municipality retains sole jurisdiction with respect to zoning and land use.

Therefore, with respect to zoning, the subject property is located in the R-1A, Single Family Residence District, and the R-1A zone only permits single family residential uses.

Rooming and boarding homes are not permitted uses in the R-1A zone.

Based on the fact, that the proposed use is not permitted, your zoning application is hereby denied.

Should you be aggrieved by my decision, you may seek relief through the Zoning Board of Adjustment.

You may request an interpretation of the current ordinance, or in the alternative, you may apply for a use variance. The choice is yours.
