To the Chief of Police:

Attached are the documents outlining our security plan for operating a class 5 cannabis retailer. We own the property at 324 Broad Street in Bloomfield, New Jersey where we plan to operator this class 5 cannabis retailer as a family run business. In August of 2023, we secured a resolution of local support from the Town of Bloomfield, and on September 27, 2024, we were awarded our application approval by the NJ-CRC.
