wholesale electric market, Participating Members will preauthorize the Lead Agency to award contracts for Electric Generation Service in each bid group to one or more electric power suppliers that submit bids which are reasonably forecasted to provide estimated savings to the Participating Member based upon its previous electric usage and utility provided Basic Generation Service rates; and

**WHEREAS**, the Lead Agency will only award contracts for said electric generation services to electric power suppliers that submit bids with pricing reasonably estimated to be lower than the utility-provided basic generation service; and

**WHEREAS**, the LGU agrees to purchase all electric power needed for its own use (exclusive of on-site electric generation sources) during the Effective Period through any electric power supplier(s) awarded a contract, it being understood that the term of any one contract shall be subject to the provisions of Local Public Contracts Law; and

**WHEREAS**, the Lead Agency will notify the Department of Community Affairs' Division of Local Government Services by mail prior to the issuance a Request for Bids for electric generation services, with the understanding that if the Division of Local Government Services does not respond within 10 business days, it will be deemed to have approved the issuance of the Request for Bids or the Request for Rebids.

**NOW, THEREFORE, BE IT RESOLVED**, that the Township of Bloomfield binds itself to the ECAEPC, Cooperative Pricing System #198ECAEPC to purchase all electric power needed for its own use (exclusive of on-site electric generation sources) during the Effective Period from the electric power supplier or suppliers awarded a contract for electric generation services by the Lead Agency; and

**BE IT FURTHER RESOLVED**, that the Lead Agency of the ECAEPC Cooperative Pricing System is hereby authorized to execute a master performance agreement that obligates the LGU to purchase electricity at the terms and conditions stated therein with a third-party supplier or suppliers who have been awarded the contract or contracts by the Lead Agency on behalf of the participating members of the ECAEPC Cooperative Pricing System #198ECAEPC (or any CPS number to be assigned in the future), and provided further that all such contracts shall be at prices reasonably forecast and estimated by the Lead Agency to provide savings to the Township of Bloomfield relative to the price charged for basic generation service by the electric public utility that would otherwise provide such service; and

**BE IT FURTHER RESOLVED**, that ECAEPC is authorized to continue to bid to obtain electric generation services at any time during the Effective Period on behalf of the ECAEPC Cooperative Pricing System including, for example, a rebid if energy market conditions do not initially lead to a successful bid, on additional dates to be determined by the Lead Agency; and

**BE IT FURTHER RESOLVED**, that this Resolution shall take effect immediately upon passage. The authorization provided to the County of Essex pursuant to the Local Public Contracts Laws (N.J.S.A. 40A:11-11(5)), Administrative Code (N.J.A.C. 14:4-6.4) shall be valid until January 31, 2014 (the Effective Period) at which time the Cooperative Pricing System will be subject to renewal.
