RE: VETO

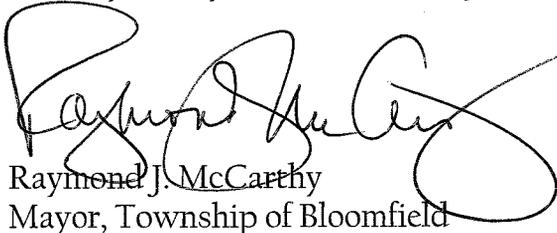

Dear Council Members, Mr. Manale & Ms. Palagano,

This letter is to inform you that I will not sign the Resolution for the appointment of Mr. Al Chalet as a member of the Bloomfield Parking Authority. Not only will it not be signed but I will veto this resolution afforded me under the Bloomfield Charter.

My objection to this appointment is that the best interest of the Bloomfield community was disregarded and the better more qualified person was not reappointed based on political pressure upon certain Council members.

As the Parking Authority is an autonomous Board which is responsible for the maintenance and structure of one of the more important aspects concerning our community and the Downtown development, political pressure via appointment to that Board is contrary to the development of the community of Bloomfield.

Thank you very much and await your response.

Raymond J. McCarthy
Mayor, Township of Bloomfield
