2012 Municipal Aid Program

Dear Mayor McCarthy:

Enclosed is one copy of the executed Agreements approved by the Department of Transportation for the above referenced project in the amount of **\$349,200.00**.

This project will be funded from the New Jersey Transportation Trust Fund Authority Act. State participation in the cost of the project is limited to 100 percent of the cost of the completed construction work including construction supervision, inspection and material testing, or the amount of the allotment, whichever is less.

The construction contract must be awarded within 18 months from the date of the execution of the Agreement. Failure to make an award by **11/10/13** or to comply with the requirements of the Municipal Aid Regulations 16:20B and the Terms and Conditions of Grant Agreement for State Aid to Counties and Municipalities will jeopardize the use of State funds on this project. It is further noted that the project must be in compliance with the Americans with Disabilities Act, ADA, requirements for accessibility. The Municipal Aid Regulations and terms and conditions can be found on the Local Aid Website at:
